

"August brings the sheaves of corn,
Then the harvest home is born."

August

Summer Sun

Great is the sun, and wide he goes
Through empty heaven with repose;
And in the blue and glowing days
More thick than rain he showers his rays.

Though closer still the blinds we pull
To keep the shady parlour cool,
Yet he will find a chink or two
To slip his golden fingers through.

~Robert Louis Stevenson

 Draw a title page for August!

 Draw a beach, lake, or swimming pool scene!

 Make Sun Tea!

Use solar power to make iced tea! Try different combinations of tea, herbs, + fruit! Record your favorite recipes in your journal!

 Build a sandcastle + draw it!

 Copy "Summer Sun" in your journal and illustrate it!

 Did your family take a vacation or go camping this summer? Write about your adventure in your journal and include some illustrations!

 What fun things do you do to keep cool in the summertime? Can you imagine living before electricity and air conditioning like Robert Louis Stevenson? Draw a silly invention that would help cool you down!

 Make homemade ice cream and explain how it freezes in your journal!

 Practice Drawing ellipses!

Line up three ellipses →

Draw the sides
